

- Type** :- **The Multipurpose Exploration Drilling Rig**
- Capacity** :- Diamond Core Drilling up to 2000 Mtr with NQ Rod
Diamond Core Drilling up to 1350 Mtr with HQ Rod
DTH Drilling up to 700 Mtr with 3-1/2" Pipe
- Mounting** :- Truck/Trailer/Jack up Base
- Application** :- Mineral / CBM Exploration Drilling.

Kores India Ltd (Engineering Division) Factory:- Plot No. 6, Sector - 1, Pithampur-454775 Dist :- Dhar (M.P) Phone :- 07292-252275 Fax :- 07292 - 253378 Email :- koresenggpth@sify.com
Head Office :- Kores House, Plot No. 10, Off Dr. E. Moses Road, Worli, Mumbai-400018 Phone :- 91-22-40974489 Fax :- 91-22-40974440 Email :- engg@kores-india.com

Kores KDDR-2000
THE MULTIPURPOSE EXPLORATION DRILLING RIG

- Type** :- **The Multipurpose Exploration Drilling Rig**
- Capacity** :- Diamond Core Drilling up to 2400 Mtr with NQ Rod
Diamond Core Drilling up to 1650 Mtr with HQ Rod
DTH Drilling up to 950 Mtr with 3-1/2" Pipe
- Mounting** :- Truck/Trailer/Jack up Base
- Application** :- Mineral / CBM Exploration Drilling.

Kores India Ltd (Engineering Division) Factory:- Plot No. 6, Sector - 1, Pithampur-454775 Dist :- Dhar (M.P.) Phone :- 07292-252275 Fax :- 07292 - 253378 Email :- koresenggpth@sify.com

Kores GK-1500
THE MULTIPURPOSE EXPLORATION DRILLING RIG

- Type** :- **Diamond Core Drilling Rig**
- Capacity** :- Diamond Core Drilling up to 1000 Mtr with NQ Rod
Diamond Core Drilling up to 675 Mtr with HQ Rod
- Mounting** :- Skid / Truck / Trailer
- Application** :- Mineral Exploration.

Kores India Ltd (Engineering Division) Factory:- Plot No. 6, Sector - 1, Pithampur-454775 Dist :- Dhar (M.P) Phone :- 07292-252275 Fax :- 07292 - 253378 Email :- koresenggpth@sify.com

Kores KME-1000
DIAMOND CORE DRILLING RIG

- Type** :- **Hydrostatic Top Drive Multipurpose Drilling Rig.**
- Capacity** :- Diamond Core Drilling up to 1000 Mtr with NQ Rod
Diamond Core Drilling up to 675 Mtr with HQ Rod
DTH Drilling up to 300 Mtr with 3-1/2" Pipe
- Mounting** :- Truck/Trailer/Jack up Base
- Application** :- Mineral / CBM Exploration Drilling.

Kores India Ltd (Engineering Division) Head Office:- Kores House, Plot No. 10, Off Dr. E. Moses Road, Worli, Mumbai-400018 Phone :- 91-22-40974489 Fax :- 91-22-40974440 Email :- engg@kores-india.com

Kores®

Kores India Ltd. Complete Drilling Solutions

Drill Rigs Design & Development

KORES INDIA LTD manufacturing facility at Pithampur, INDIA

KORES set up a new division named Kores Engineering Division in 1985 after strong industry demand for Water, De-water, Core & Exploration sector exclusively for manufacturing of various types of drilling rigs, mud pumps and related accessories. We have a team of well qualified and experienced engineers, who are capable of undertaking manufacture of any type of drilling equipment.

Quality

At KORES, quality is both our priority as well as our motto. The rigs are designed and engineered to operate safely, efficiently and reliably well beyond their stated performance parameters. They also utilise proven high quality components from reliable sources of supply. The high level of quality is a direct result of the extensive experience of our team of engineers and tradespersons having in the design and manufacture of drill rigs. This group is highly skilled and able to work very well together as a team. Both pre-delivery and on site commissioning procedures ensure that the drill rig is able to deliver the highest performance. KORES Products are ISO9001 quality standard Certified.

KORES Team at Australia

Innovation

KORES is an innovator in the field of Drilling industry and is constantly identifying and implementing improvements to existing products as per customers requirements. Continuous product innovation development has enabled KORES to maintain its position as the market leader. In many cases these design improvements have resulted from the company's policy of working closely with customers to obtain feedback on the performance of the drill rig. The company has recently developed a multi-purpose Drilling Rig for better Productivity & speed of Coal Bed Methen Exploration. Both DTH & Core Drilling can be used by this rig so in starting stage of drilling DTH can be used for 600 mtr & after at the time of core sampling requirement Core drilling can be used with same equipment.

KORES Engineers Team, working on a Drill Rig design
